WHO WE ARE

Studio Matsya is a multidisciplinary design studio that treats art, architecture, and space as living canvases. We transform thoughts into form and stories into experience, creating work that is fluid, intentional, and meaning-driven.

MISSION: OUR MISSION IS TO TURN IDEAS INTO LIVING FORMS THROUGH ART AND DESIGN.

VISION: TO CREATE A WORLD WHERE DESIGN FLOWS AS EXPERIENCE, NOT OBJECT.

WELCOME TO CLUB ROSO

(01)

This mural unfolds like a cinematic hallucination—fragmented memories, neon nostalgia, and pop-cultural icons collide in a single immersive frame. Cars, faces, symbols, and signage overlap to recreate the chaos and thrill of urban nightlife. The artwork blurs reality and fantasy, inviting the viewer into a world where speed, desire, and identity coexist in constant motion.

LOCATION: CLUB ROSO, C-SCHEME, JAIPUR

SIZE: 16.5 X 8.5

DURATION: 15 DAYS

FRAGMENTS OF HER

(02)

A powerful female visage emerges from fractured planes of color and geometry, symbolizing the layered nature of identity. Bold diagonals and contrasting hues disrupt the portrait, suggesting emotional depth, resilience, and inner conflict. The artwork balances strength and vulnerability, transforming a simple wall into a statement of presence and selfhood.

LOCATION: RUPAYAN TEXTILE, SITAPURA, JAIPUR

SIZE: 23 X 16.5FT

DURATION: 10 DAYS

PICKLEBALL PANORAMA

An immersive, large-scale mural that transports the viewer to a whimsical, stylized London, reimagining the urban landscape as a vibrant backdrop for the sport of pickleball. Iconic elements like the red double-decker bus and telephone booth are rendered in a playful, illustrative style, merging British charm with the energetic movement of the game. This transforms a simple boundary wall into an expansive, storytelling canvas.

(03)

LOCATION: PICKADILY PICKLEBALL CLUB, VAISHALI NAGAR, JAIPUR

SIZE: 44 X 14-6 FT

DURATION: 12 DAYS

PICKLEBALL CIRCUS

(04)

This vibrant mural playfully reimagines London's Piccadilly Circus as a high-energy pickleball arena. Under a sky filled with hot air balloons and festive bunting, two jesters engage in a whimsical match—one balancing on a unicycle—bringing a sense of motion and absurdity to the court. The artwork cleverly fuses iconic British elements with carnival joy, creating an immersive and energetic backdrop for the players.

LOCATION: PICKADILY PICKLEBALL CLUB, VAISHALI NAGAR, JAIPUR

SIZE: 22 X 20 FT

DURATION: 12 DAYS

JAIPUR HORIZONS

(05)

A sophisticated wall graphic that pays homage to the architectural heritage of Jaipur. The design layers intricate line art of the city's iconic monuments against a serene, circular skyscape, blending traditional structural beauty with modern graphic design. The interplay of traditional "jaali" patterns at the base roots the artwork in local culture while maintaining a clean, minimalist aesthetic.

LOCATION: AIM ARCHITECTS, C-SCHEME, JAIPUR

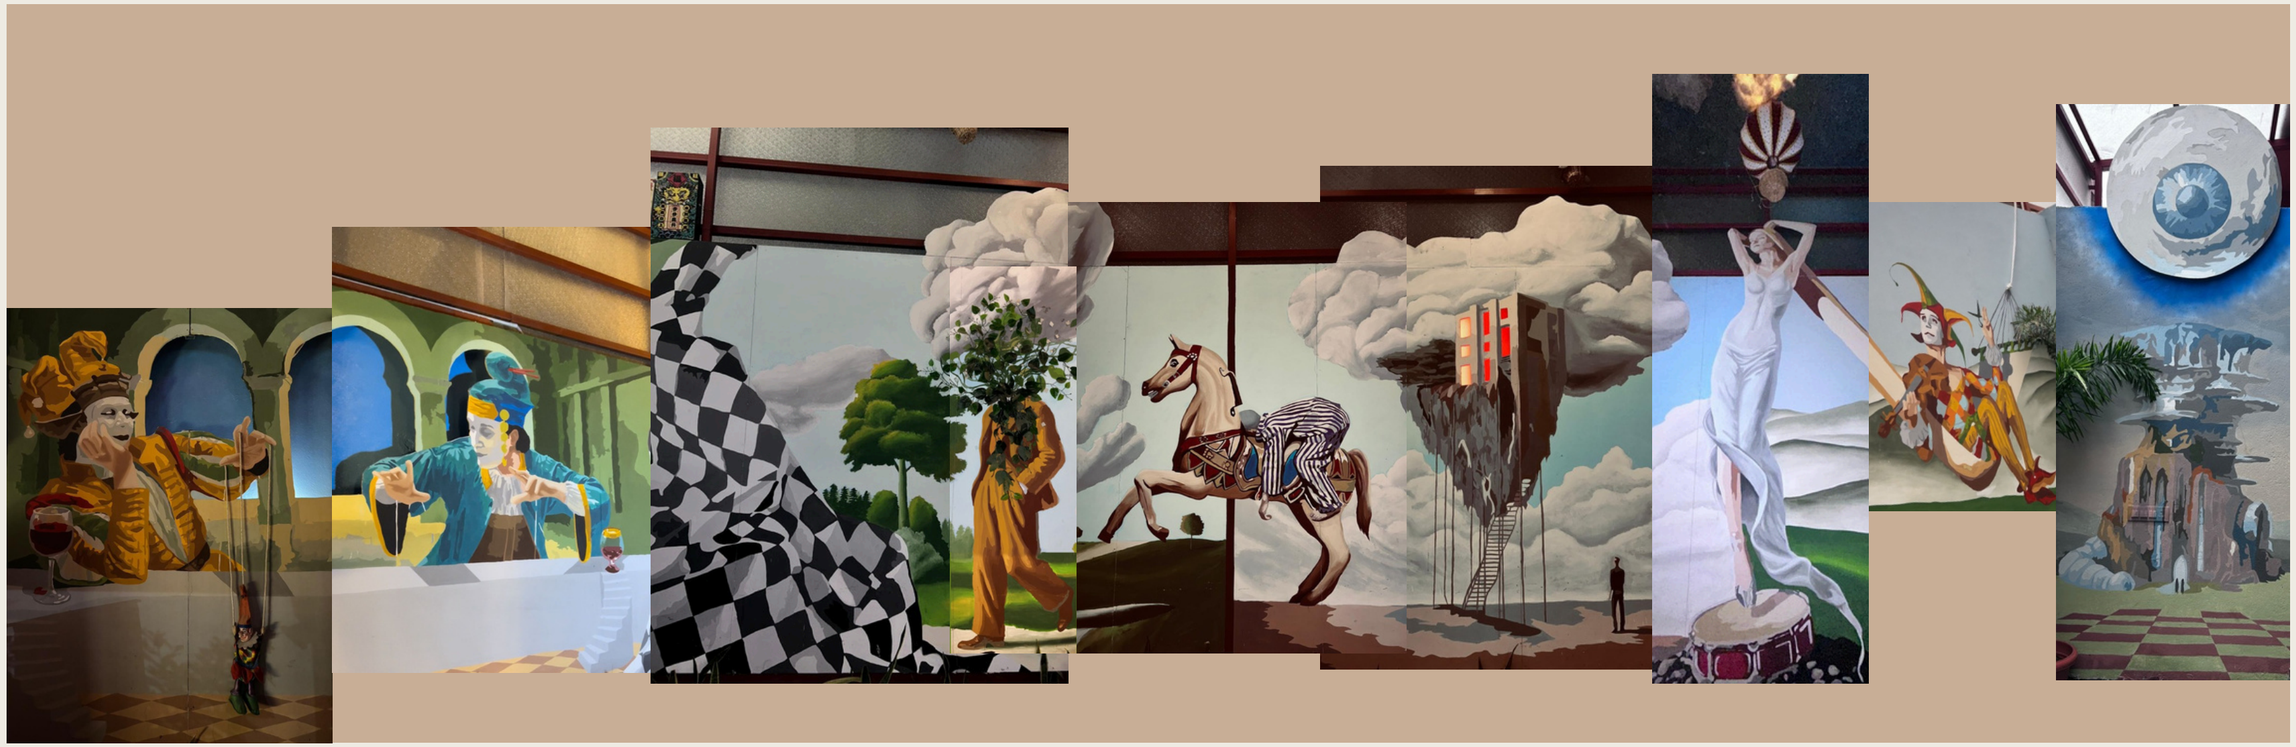
SIZE: 6 X 5 FT

DURATION: 6 DAYS

REALMS OF REVERIE

A surrealist narrative mural that invites the viewer into a dreamlike continuum where logic dissolves. Featuring melting clocks, floating architectural elements, and symbolic motifs like the all-seeing eye and checkerboard floors. The seamless transition between disparate scenes creates a fluid, hallucinogenic storytelling experience.

(06)



LOCATION: WUNDERLAND, AJMER RD, JAIPUR

SIZE: 60 X 14 FT

DURATION: 20 DAYS

PRACTICE IN PERSPECTIVE

An architectural portrait of Viaan Architects, envisioned as a collective landscape of ideas brought to life. The mural weaves together the firm's diverse projects into one continuous composition, celebrating the relationship between design, place, and the built environment. Fine linework captures the individual character of each structure, while the rising sun symbolises vision, growth, and the possibilities of architecture. A personalised expression of the practice, translated into art.

BEYOND THE BLUEPRINT (08)

A bespoke architectural installation created for Viaan Architects, bringing their portfolio to life through a layered composition of architectural linework and coloured visualisations. The artwork captures the evolution of a project from drawing to built form, creating a striking transition between concept and reality. Anchoring the composition is a hand-sculpted rock-textured band, crafted by us to introduce a raw, organic counterpoint to the precision of architectural design. Integrated lighting enhances its texture, transforming the wall into a dimensional, site-specific art installation.

LOCATION: VIAAN DESIGNS, JAIPUR

SIZE: 7 X 5 FT

DURATION: 10 DAYS

INFINITE CALM

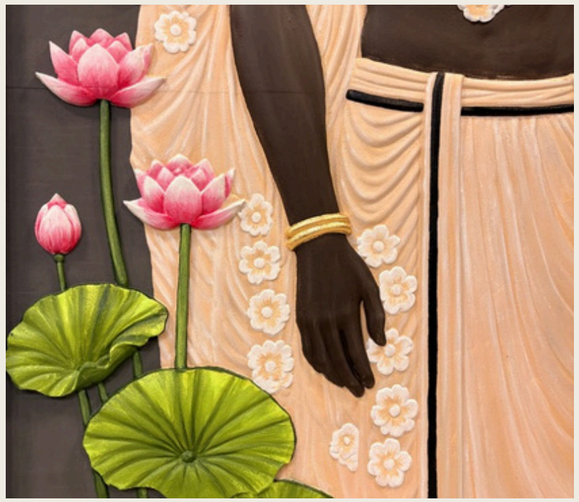
A sculptural wall artwork that interprets Shiva through the language of movement, stillness, and nature. Flowing contours trace water, wind, mountains, and foliage around a serene central figure, creating a composition that feels both ancient and contemporary. Subtle gold detailing across the crescent, ornaments, and Nandi introduces moments of warmth against the restrained stone-like surface, transforming mythology into a refined architectural statement.

(09)

SIZE: 6X4 FT

DURATION: 6 DAYS

DIVINE HARMONY



Designed as a statement artwork within an intimate architectural setting, this relief mural reinterprets the timeless imagery of Shiva and Parvati through a refined interplay of sculptural depth and decorative detail. A dark, understated ground accentuates the figures, while the floral halo, carved hair, and gold embellishments introduce warmth and visual richness. The result is an artwork that balances cultural symbolism with contemporary material expression, creating a focal point of quiet grandeur.

(10)

SIZE: 8X4.5 FT

DURATION: 6 DAYS

LIVING COLUMN

An exploration of organic form and sculptural storytelling, this installation transforms a conventional column into a monumental tree-inspired feature. Handcrafted textures recreate the rugged character of bark, while moss-like accents and an overhead canopy add depth, movement, and natural character. Designed for Gaurang Environmentalist Group, the installation introduces a biophilic dimension to the interior, demonstrating how art can soften architectural spaces and create a more evocative relationship between people and nature.

(11)

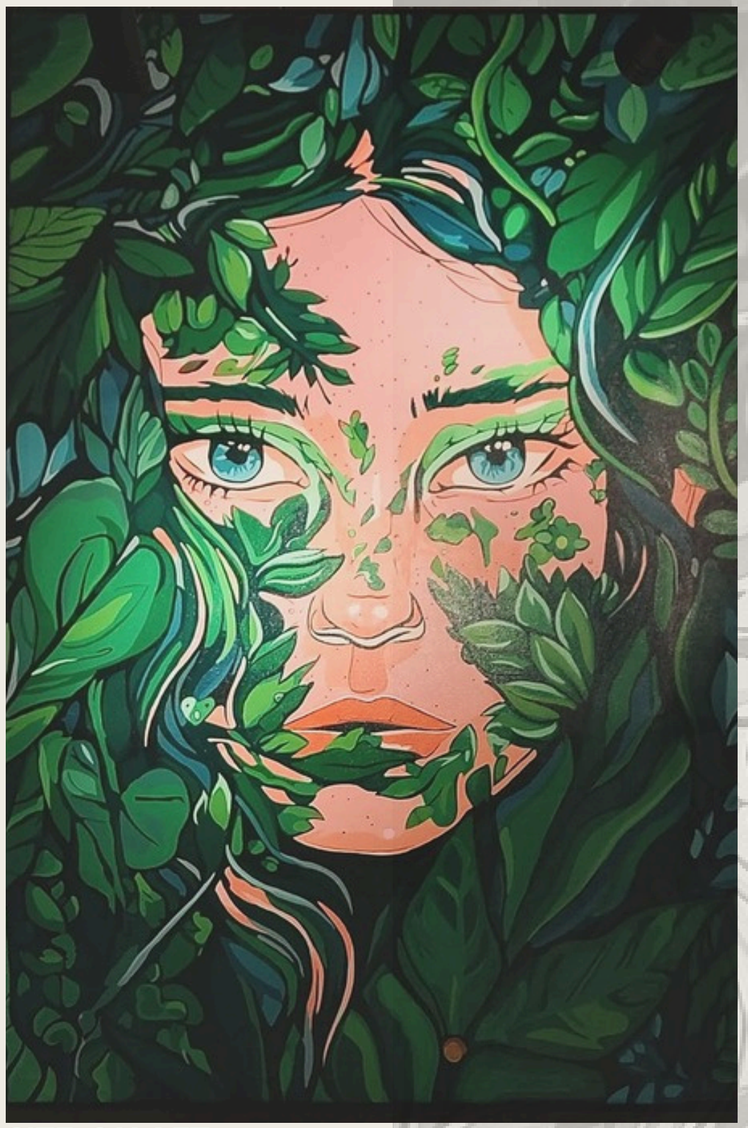
SIZE: 10X3FT

DURATION: 8 DAYS

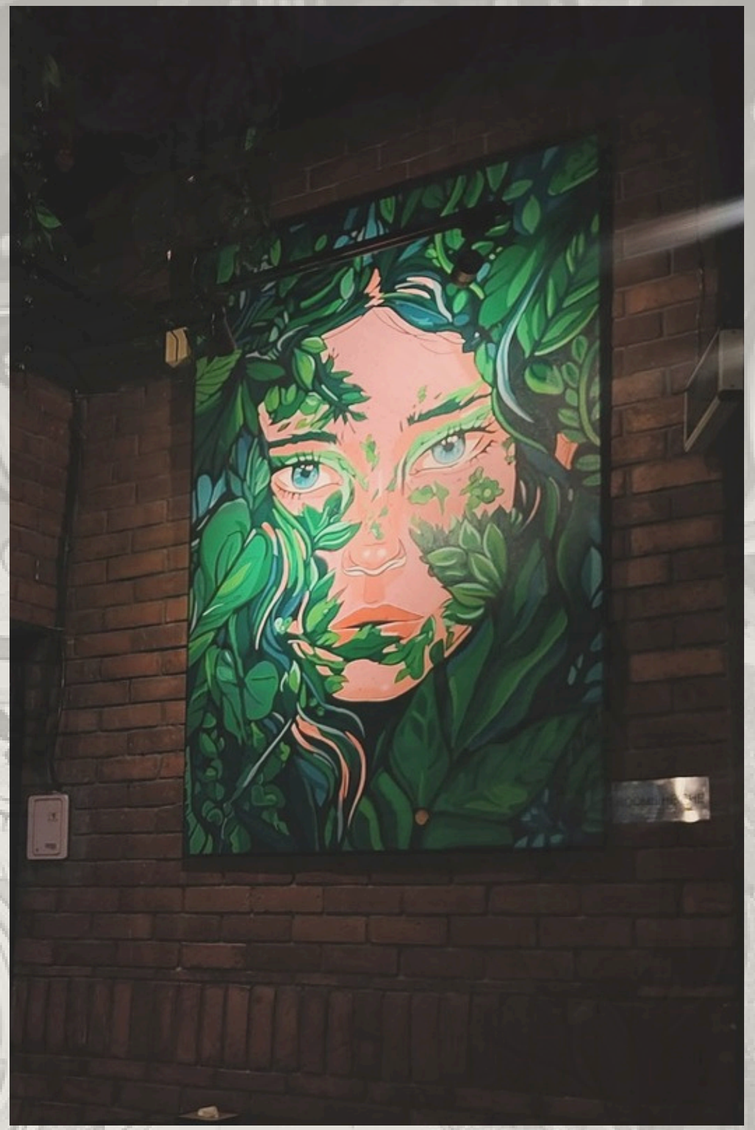
VERDANT SPIRIT

This portrait explores the symbiotic relationship between humanity and nature, depicting a face emerging from—and consuming—a lush canopy of foliage. The use of verdant greens and organic strokes dissolves the boundaries of the subject's identity, suggesting a return to the earth. It serves as a visual metaphor for growth, camouflage, and the quiet power of the natural world.

(12)



SIZE: 6 X 4 FT



DURATION: 20 DAYS

SACRED SHORES

A sweeping landscape painting that captures the spiritual stillness and architectural grandeur of the ancient ghats. The artwork utilizes a warm, golden palette to evoke the glow of sunrise or sunset upon the stone steps and temples, reflecting the timeless devotion associated with the riverfront. The perspective draws the viewer into the scene, offering a moment of meditative calm.

(13)

SIZE: 7 X 4.5 FT

DURATION: 45 DAYS

THE ROYAL GROVE

Inspired by traditional Indian Pichwai art, this mural brings a touch of regal serenity to the interior space. It features stylized cows and majestic palm trees rendered with precise, traditional motifs, celebrating the beauty of pastoral life. The composition balances cultural heritage with interior elegance, creating a focal point that is both spiritual and decorative.

(14)

SIZE: 6 X 4 FT

DURATION: 30 DAYS

GILDED REFLECTIONS

An abstract cityscape that uses heavy texture and a palette of teal, gold, and slate to suggest a skyline reflected in water. The vertical strokes mimic the rise of skyscrapers while the metallic accents catch the light, adding depth and movement to the piece. It is an impressionistic take on urban energy, focusing on mood and atmosphere rather than rigid architectural detail.

(15)

SIZE: 6 X 5 FT

DURATION: 30 DAYS

THE AZURE GUARDIAN

Drawing inspiration from traditional folk narratives, this vertical panel features a stylized, celestial-blue feline resting beneath a solitary palm. The intricate, repetitive patterns on the creature's coat and the bold geometric base blend indigenous art forms with modern graphic sensibilities. It serves as a vibrant, totem-like tribute to nature's protectors, radiating a sense of playful mysticism.

(16)

SIZE: 5 X 1.5 FT

DURATION: 15 DAYS

CONCRETE BRUTALISM

This relief work explores the raw beauty of cement and light, utilizing geometric cutouts and raised surfaces to create a play of shadow. The monochromatic, tactile surface emphasizes form over color, embodying a brutalist aesthetic that celebrates the material itself. It stands as a testament to the structural artistry of The Brik Studio.

(06)

SIZE: 6 X 5 FT

DURATION: 20 DAYS

ANCESTRAL LEGECY

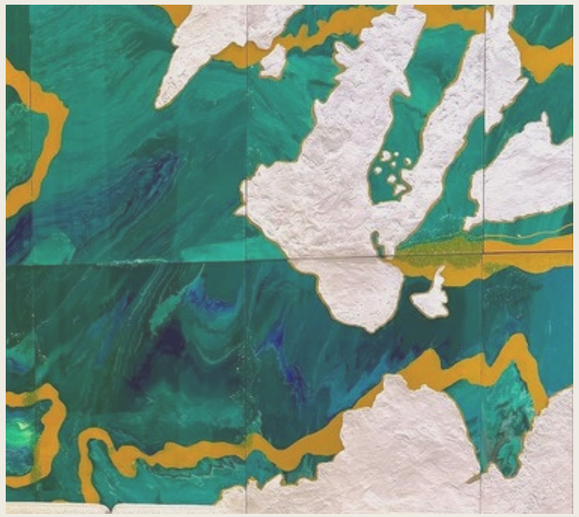
A classical oil-style portrait that commands respect and evokes history, capturing the dignity of a royal subject. The rich, deep background contrasts with the intricate detailing of the jewelry and attire, highlighting the texture of silk and gold. This piece serves as a bridge to the past, anchoring the room with a sense of nobility and tradition.

(17)

SIZE: 4 X 2 FT

DURATION: 50 DAYS

EMERALD STRATA



A massive, fluid-art installation that mimics the organic, banded beauty of malachite stone or aerial landscapes. The swirling greens and whites are broken by veins of gold, creating a sense of luxurious movement across the double-height wall. It transforms a vertical surface into a natural geological wonder, dominating the space with organic grandeur.

(18)

SIZE: 20 X 15 FT

DURATION: 90 DAYS

VELVET ILLUSION

A mixed-media 3D relief diptych that masterfully mimics the flow of heavy, draped fabric frozen in time. The contrast between the dark, flowing "cloth" and the textured, static background is punctuated by floating golden spheres, adding a surreal, modern touch. It is a study in tension, texture, and the deception of the eye.

(19)

SIZE: 4 X 4 FT(EACH)

DURATION: 15 DAYS

GILDED TERRAIN

This abstract composition is a study in material contrast, where rugged, splattered textures meet the refined elegance of metallic gold foiling. The interlocking organic shapes, rendered in a palette of sage, charcoal, and blush, evoke a soothing, earthen topography. A fluid line of gold traverses the canvas like a vein of precious metal, adding dynamic movement and a touch of luxury to the raw, tactile surface.

(20)

SIZE: 6 X 4 FT

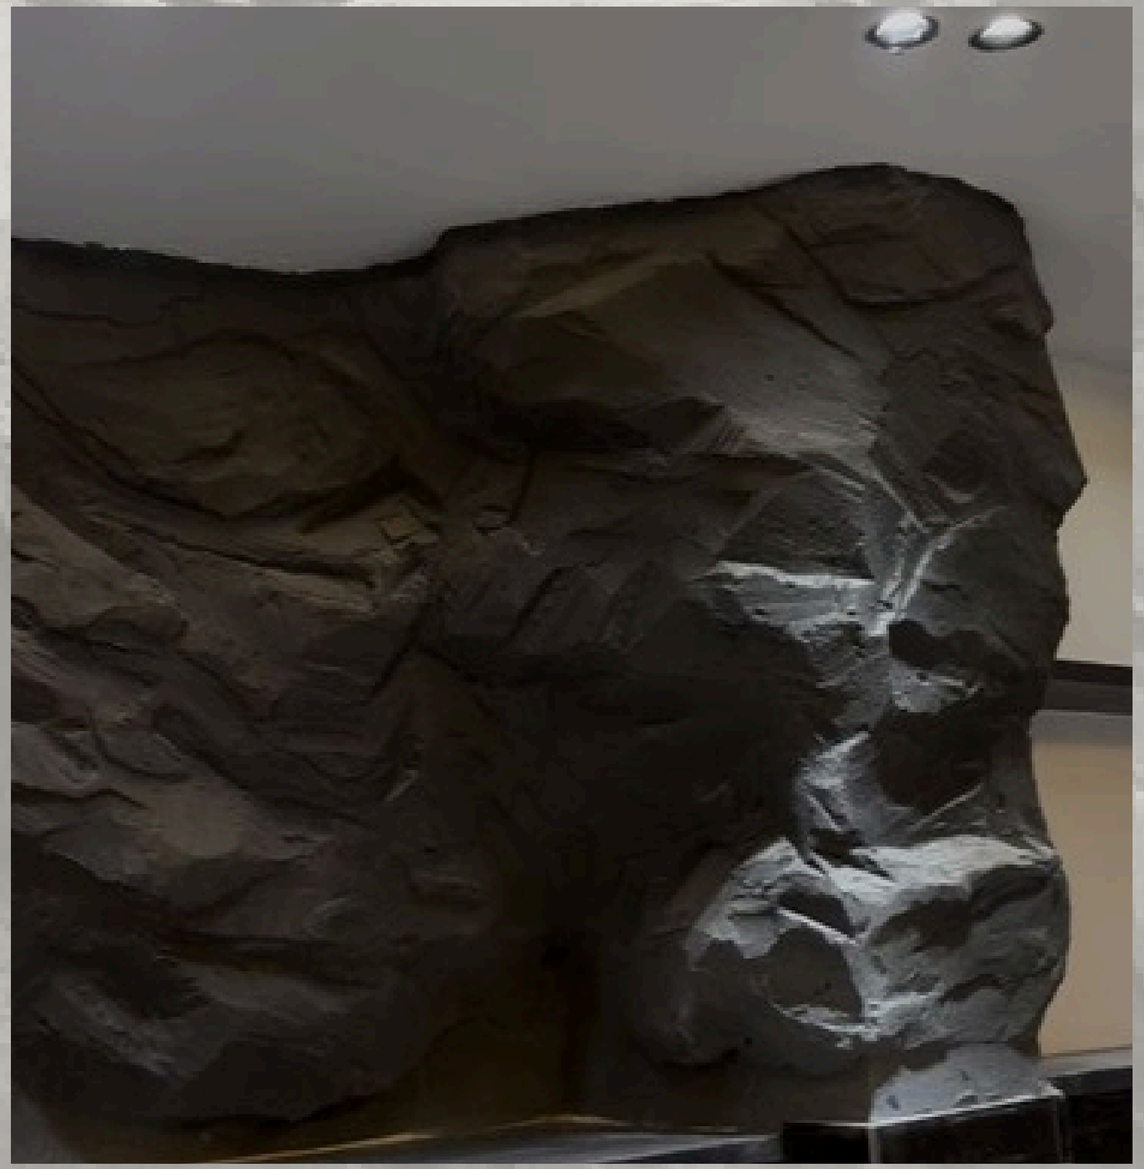
DURATION: 20 DAYS

MONOLITHIC ROCK WALL

(21)

This installation transforms the café's interior by introducing a rugged, hand-sculpted rock wall that mimics natural basalt formations. The heavy, textured stone facade wraps around the counter and walls, grounding the space with an earthy, primal intensity. This raw geological element creates a dramatic juxtaposition against the sleek, modern ceiling lights, offering a unique, cave-like dining experience.

LOCATION: SAINT EXPRESSO, C-SCHEME, JAIPUR **DURATION: 20 DAYS**



THE GRAFFITI THRONE

(22)

A rebellious fusion of classical furniture design and street culture, featuring Louis XVI-style chairs vandalized with vibrant graffiti tags. This project challenges the notion of "precious" antiques by reclaiming them with urban energy and neon sprays.

DURATION: 3 DAYS

VISIONARY HORIZON

(23)

This monumental sculpture serves as a futuristic gateway, embodying the symbiotic balance between urban expansion and natural tranquility. The fluid, metallic form cradles a miniature skyline on one crest and lush greenery on the other, converging at a central aperture that symbolizes a focused vision for Mumbai's tomorrow. It stands as a testament to architectural foresight, where the metropolis and the environment coexist in seamless harmony.
